About us

Pulur Textile

In every loop, a story shaped with passion, a journey of artistry and dedication. We pour our hearts into crafting PVC coil mats that don't just cover floors, but protect and enhance the spaces where life happens. With each strand, we celebrate practical comfort and modern design, reimagined for the busy entrances, workplaces, and living areas of today.

Coil Mats

Your trusted partner in every step

PVC coil mat rolls are more than just flooring; they are the first line of defense for your space. Designed with a resilient, tangled structure, they masterfully trap dirt and moisture, keeping your interiors pristine and safe.
From busy storefronts and offices to pool sides and industrial zones, these mats offer the perfect blend of durability and comfort. Available in flexible rolls, they can be easily cut and customized to fit any area perfectly.
With superior water drainage and anti-slip performance, our PVC coil mats protect your floors while elevating your brand's commitment to cleanliness, safety, and quality in every step.

Masterfully Crafted PVC

Eco plus

Lightweight & Economic Protection

4 mm thickness, 1.5 kg weight, and its special formula make it an ideal and economical choice for construction sites, especially for large-scale projects.

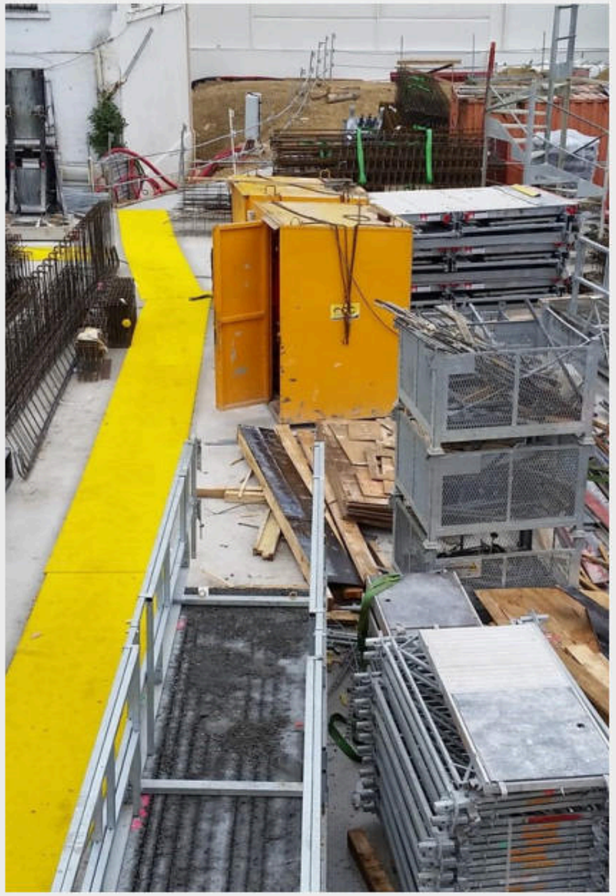

Eco

Smart Choice for Construction & General Use

Our ECO 10 mm 2.2 kg model is another product specially designed for construction sites, offering enhanced durability and performance on demanding job sites.

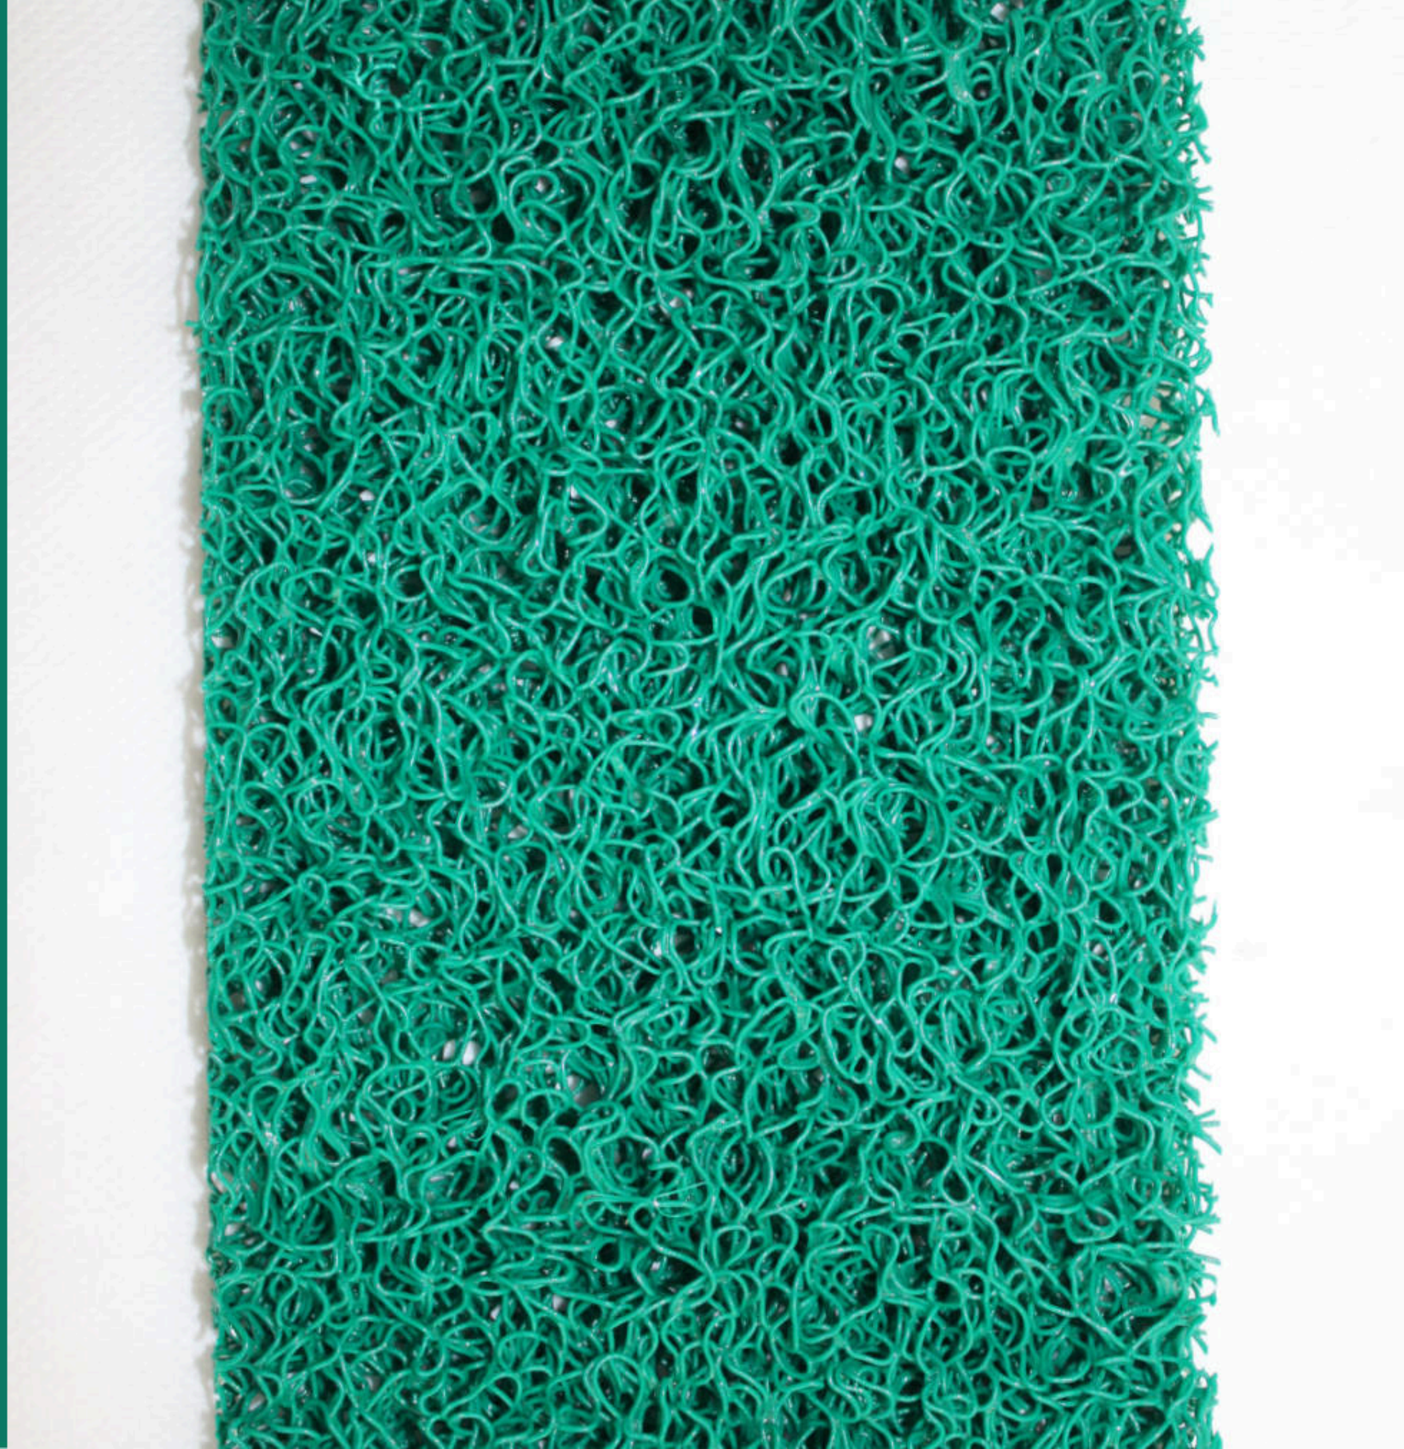

12 mm 2,4 kg

Versatile Comfort for Daily Traffic

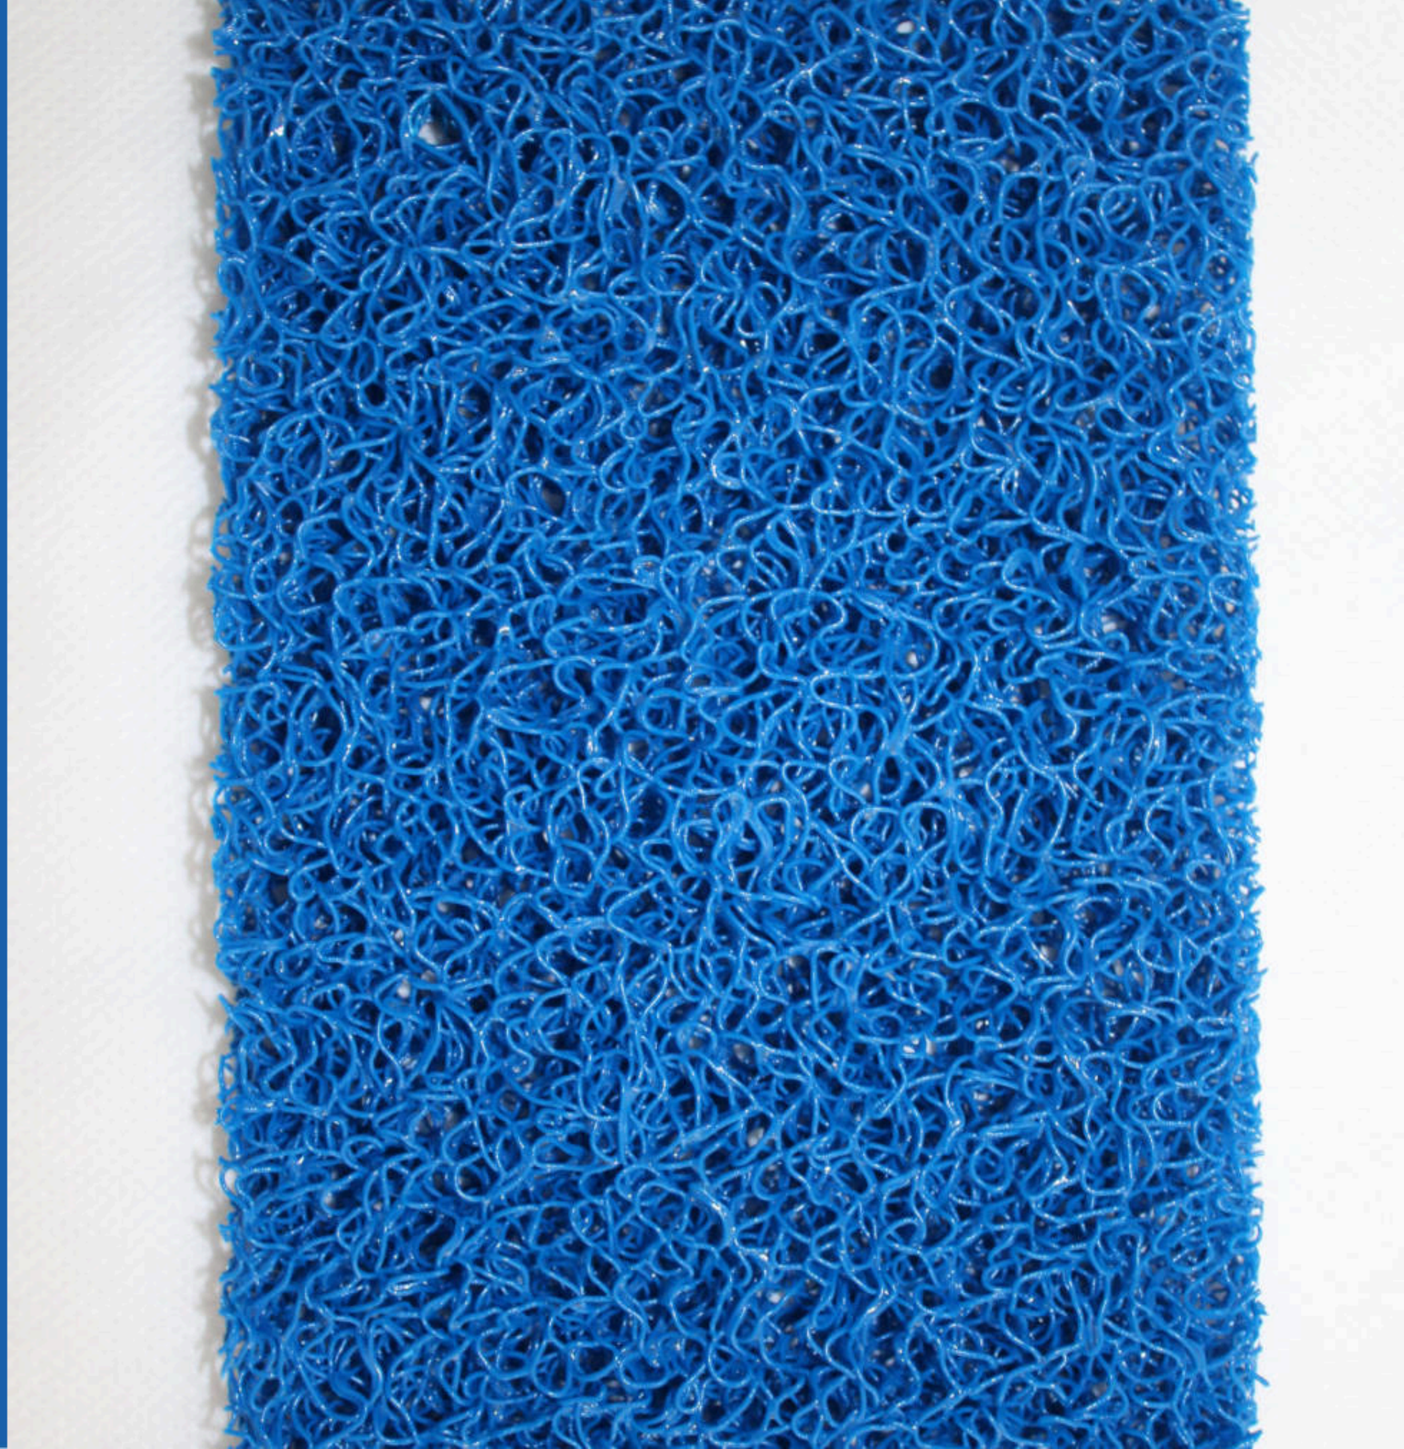

12 mm thickness and 2.4 kg/m² weight, offers a balanced solution between comfort and durability. Suitable for residential and commercial entrances, offices, and medium-traffic indoor areas.

14 mm 2.6 kg

Reliable Performance for Busy Entrances

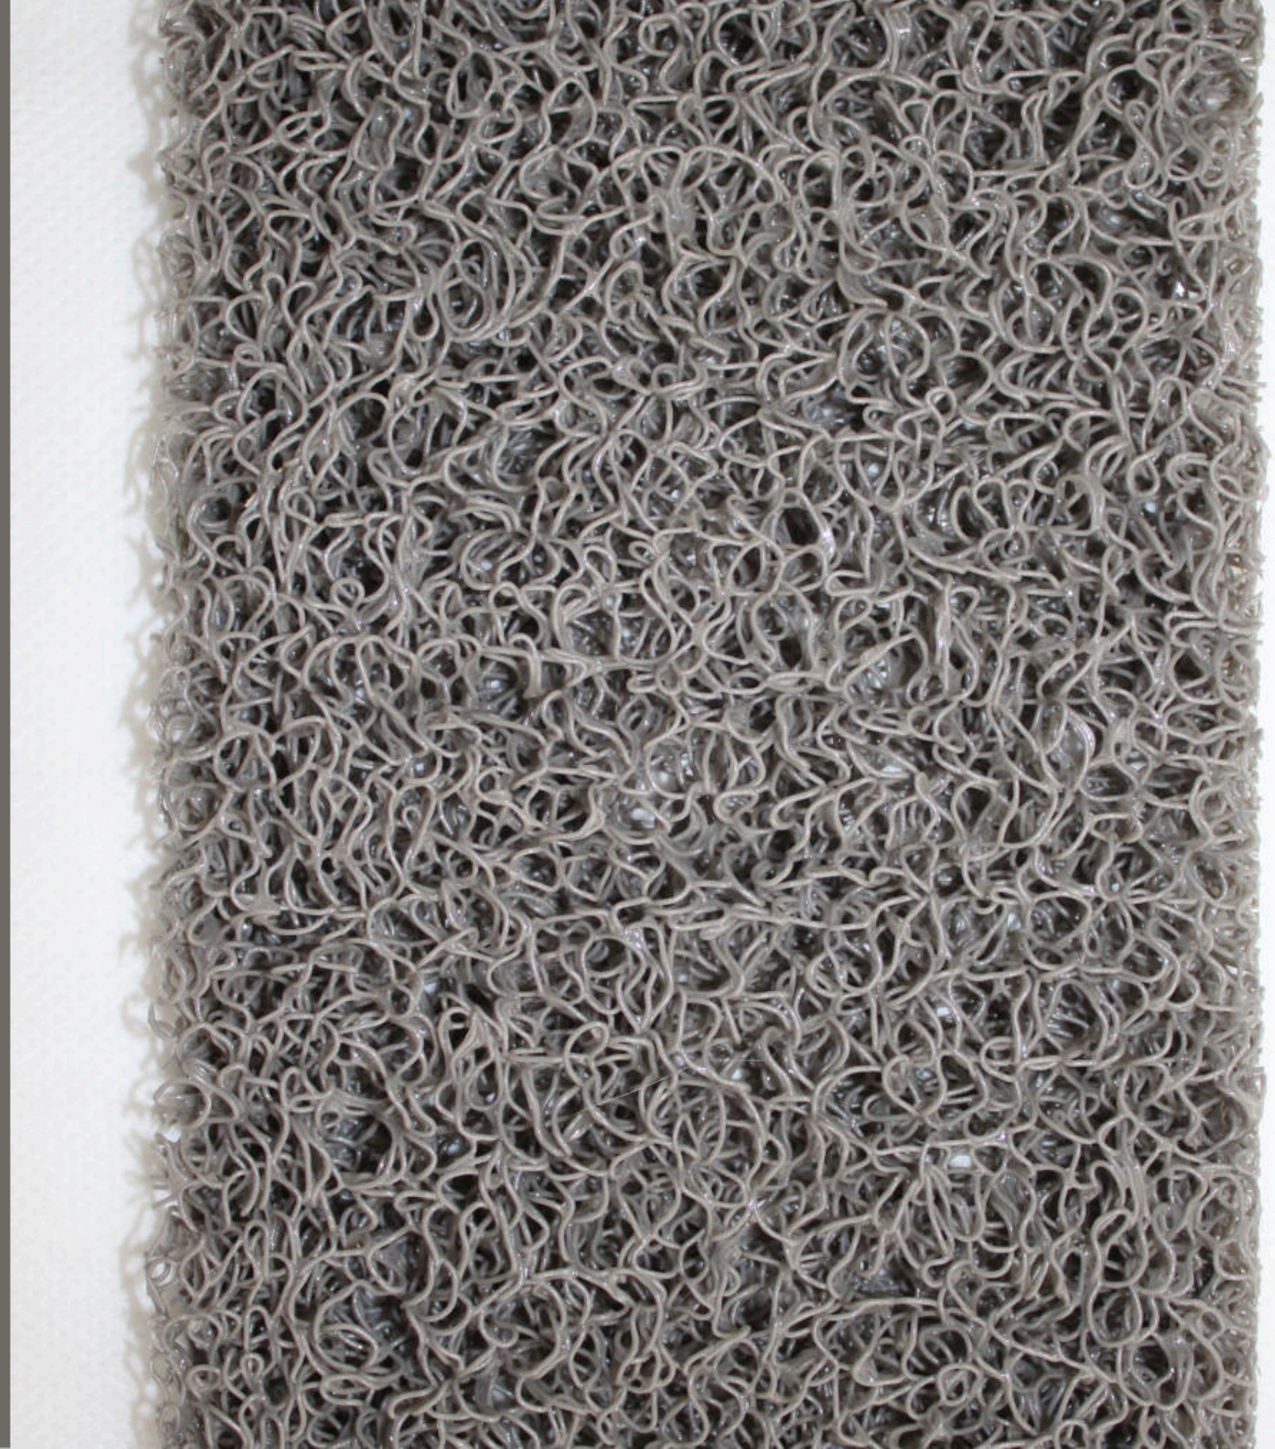

14 mm thickness and 2.6 kg/m² weight provide enhanced resilience for busier entrances. Ideal for shops, offices, hotels, and public buildings where both appearance and function matter.

14 mm 3 kg

Enhanced Durability for Heavy Footfall

14 mm thickness and 3.0 kg/m²weight,engineered for demanding environments. A strong choice for commercial buildings, shopping areas, and high-traffic corridors.

14 mm 3.3 kg

Heavy-Duty Solution for Challenging Areas

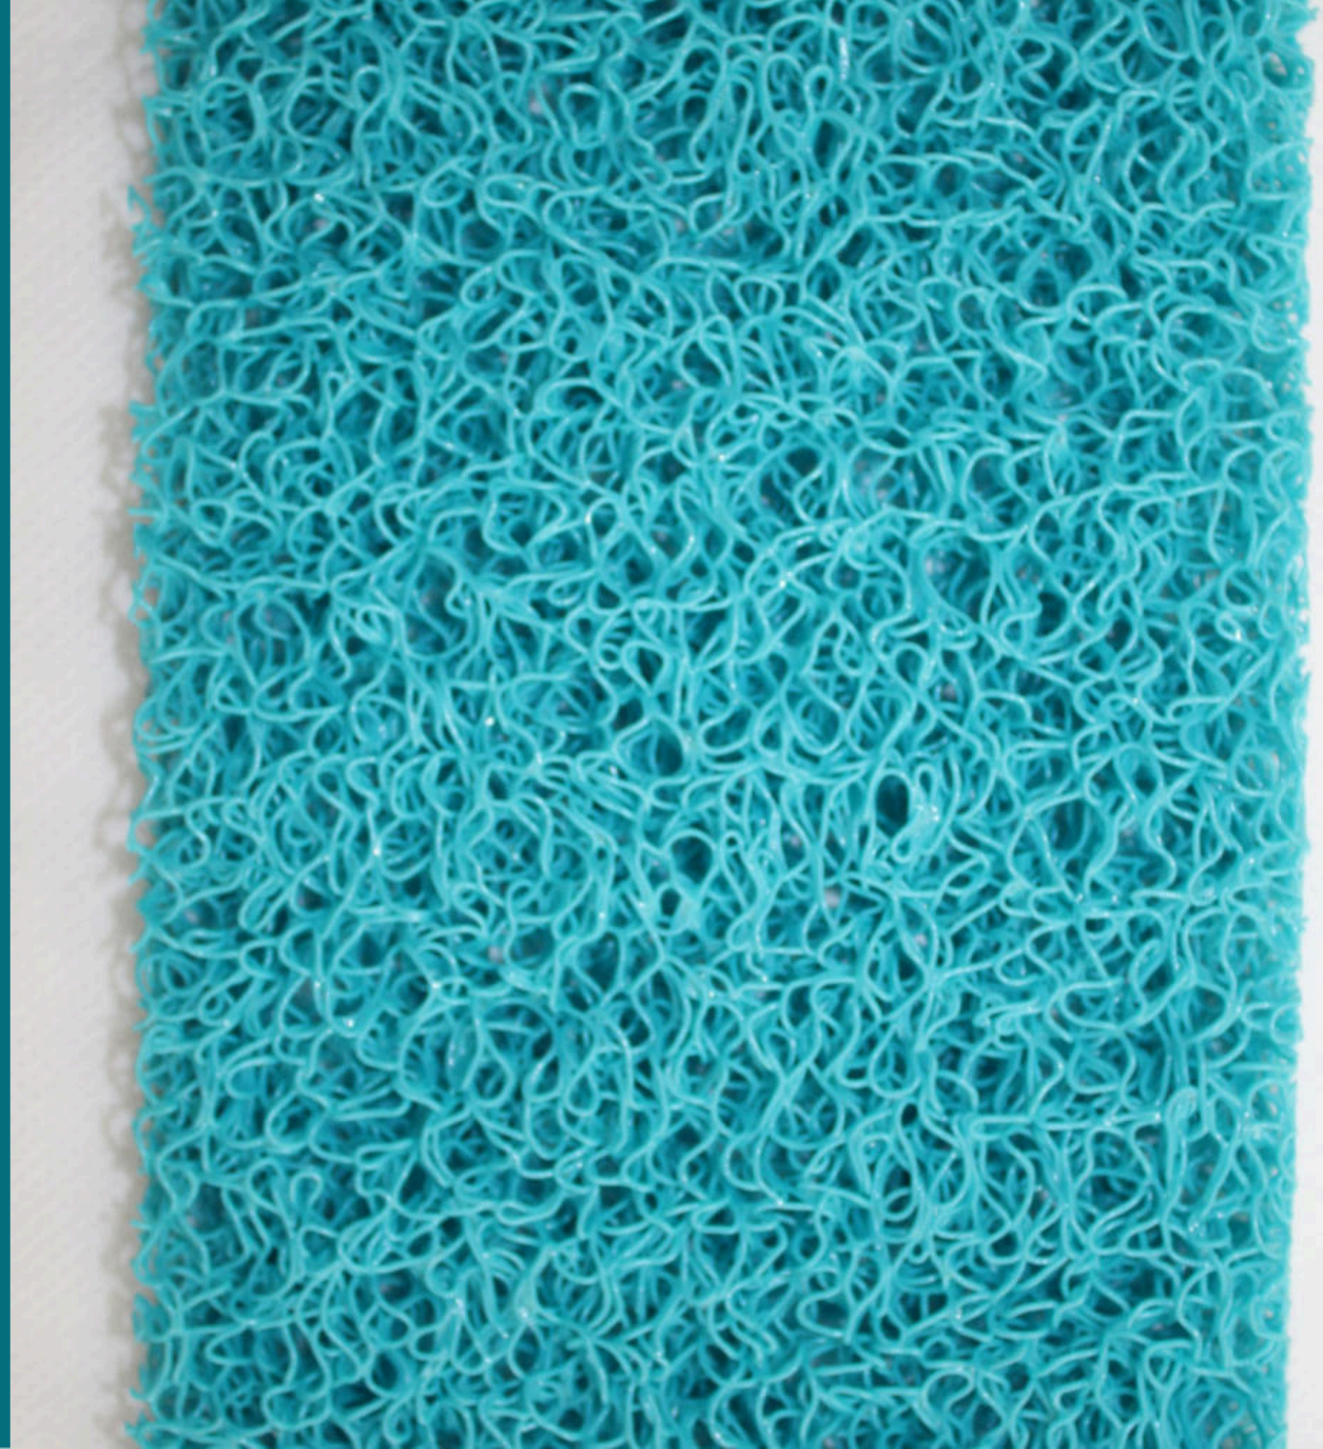

14 mm and 3.3 kg/m², offers extra mass and stability. Designed for intensive use in industrial zones, busy public spaces, and areas where dirt and moisture control are critical.

14 mm 4 kg

Premium Protection for High-Traffic Zones

14 mm thickness and a heavy 4.0 kg/m² construction, delivers premium performance in high-traffic, high-dirt environments. Ideal for malls, transport hubs, and demanding commercial entrances.

16 mm 4.5 kg

Deep Comfort & Maximum Absorption

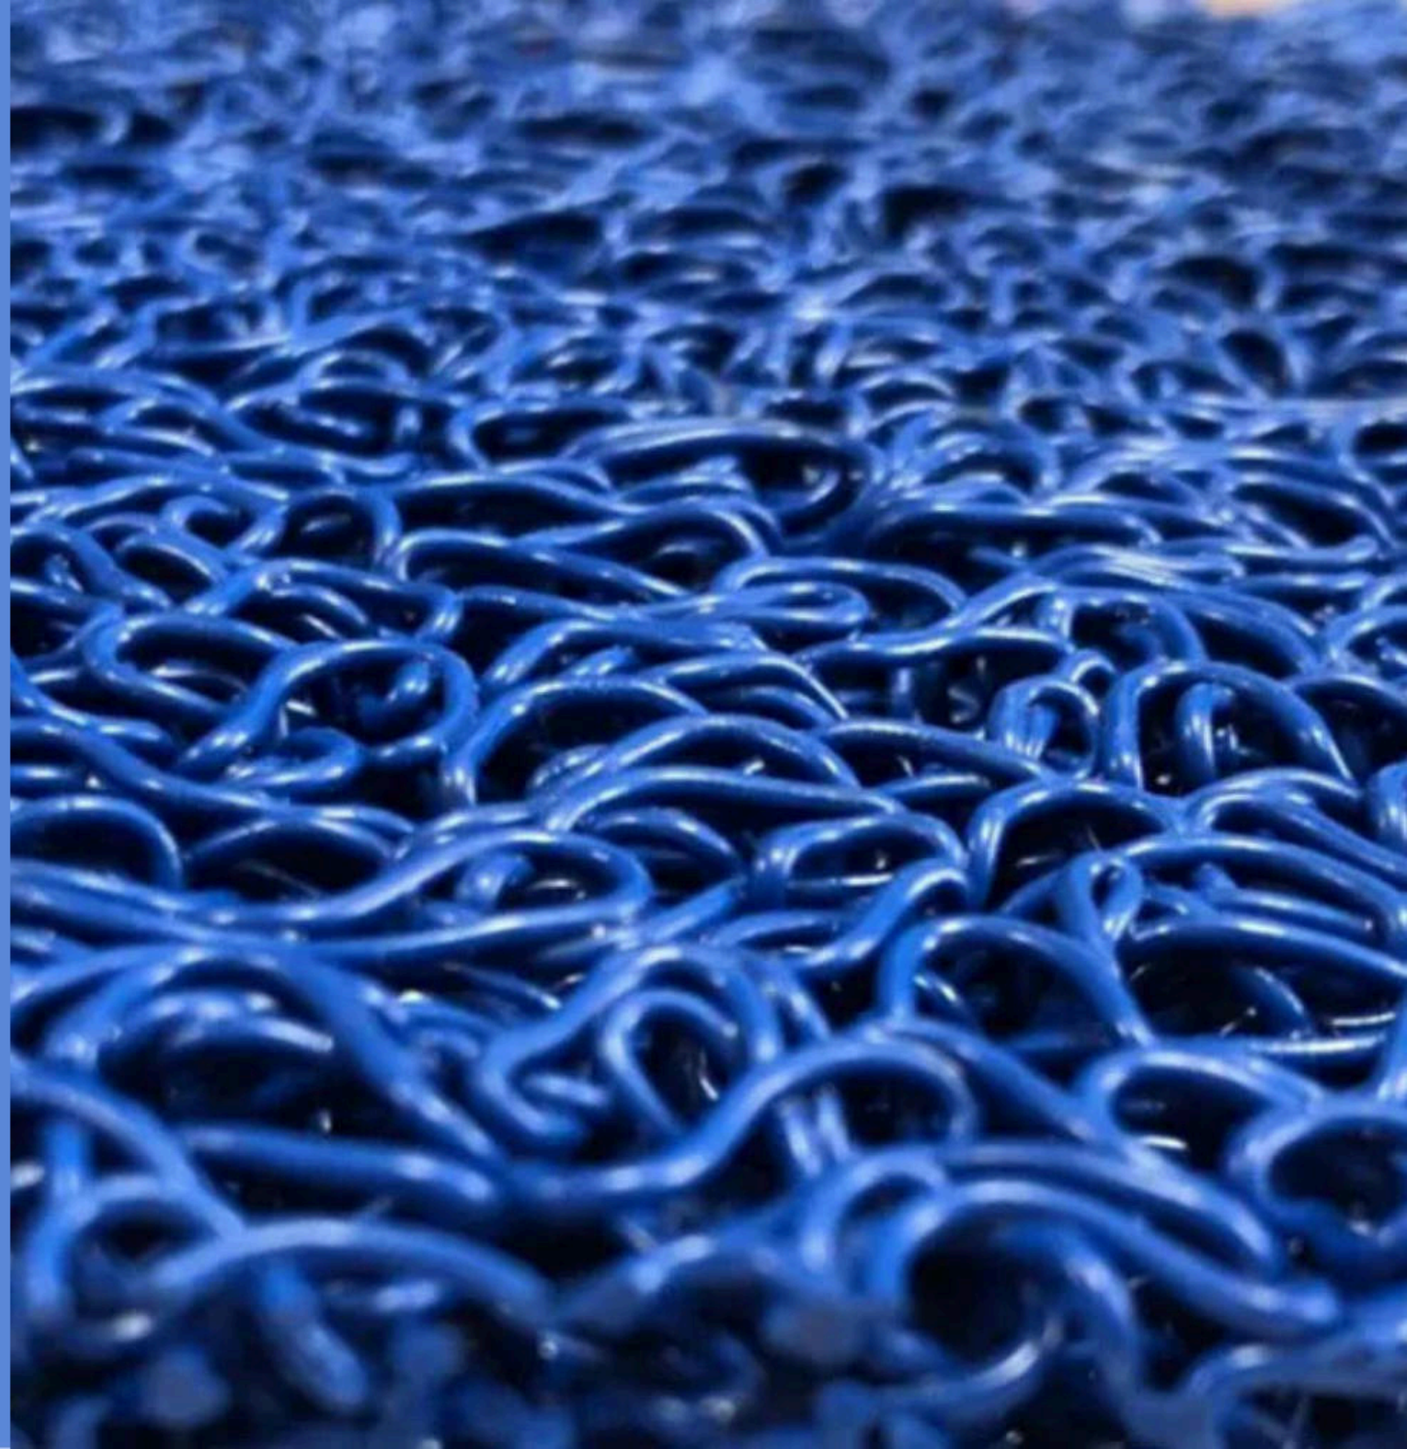

16 mm thickness and up to 4.5 kg/m² weight, offering deep coil structure for superior dirt and moisture trapping. Perfect for prestigious buildings, hotels, and areas requiring extra comfort and protection.

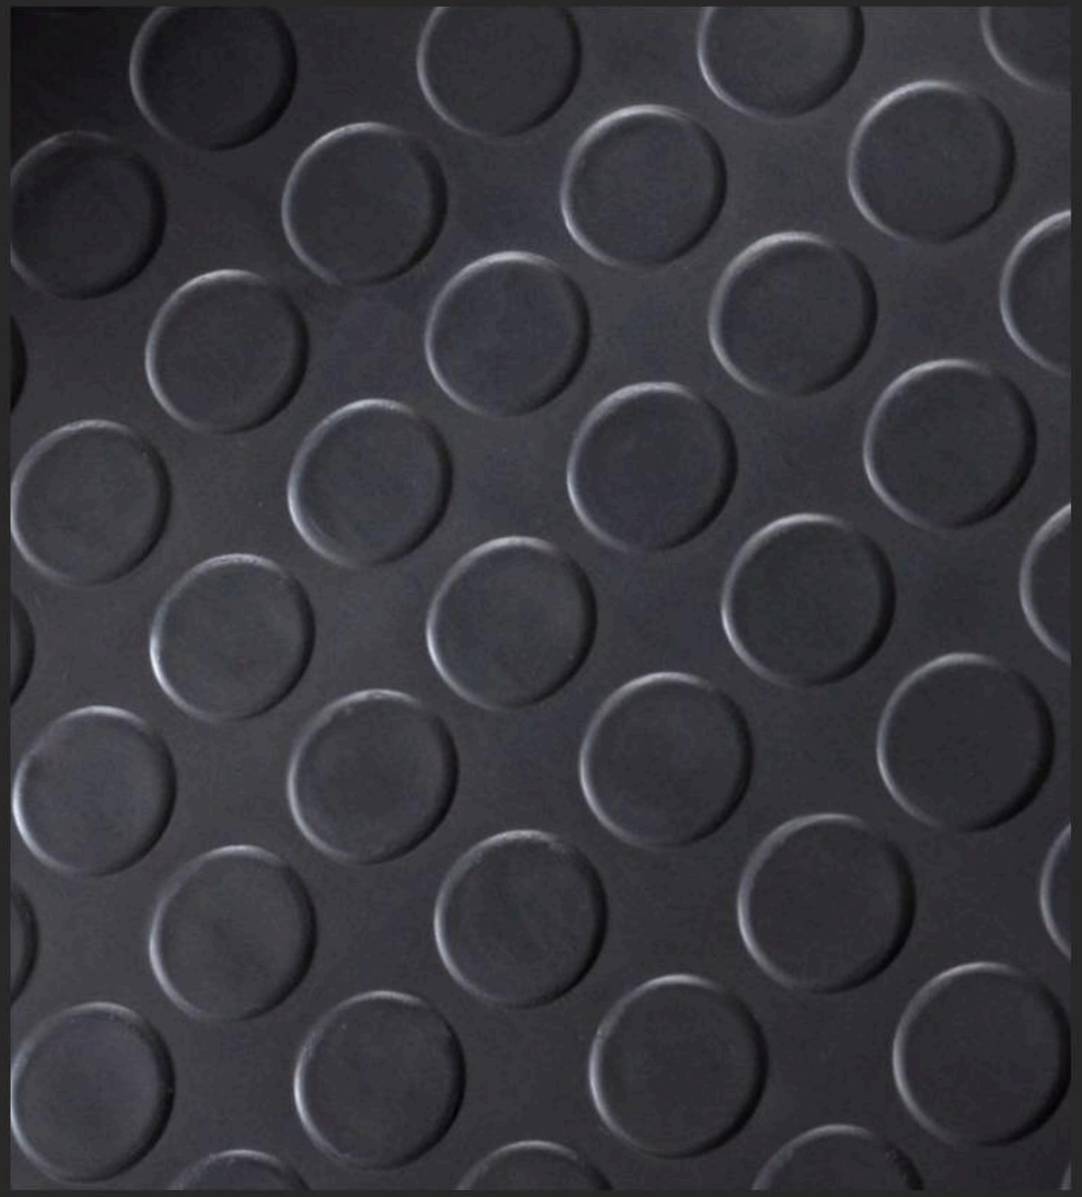

18 mm 5.5 kg

VIP-Class Entrance Solution

18 mm thickness and 5.5 kg/m², is our heaviest and most prestigious option. Designed for protocol entrances, luxury venues, and representative spaces where maximum comfort, stability, and appearance are essential.

Coin Mats 1.8 mm

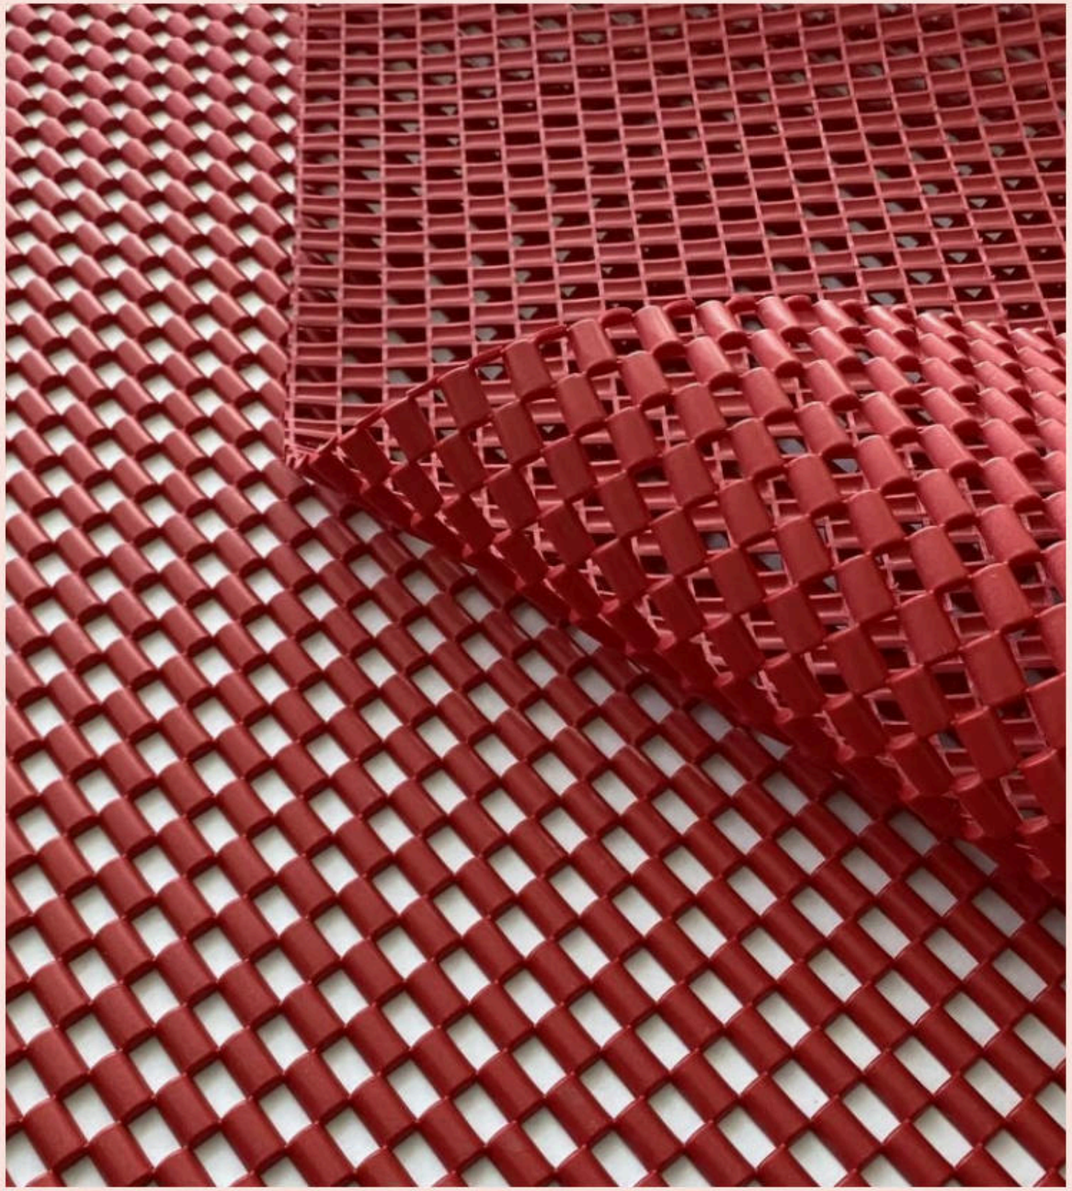

Your trusted partner in every step

PVC coin mat rolls are more than just flooring; they are the first line of defense for your space. Designed with a resilient, textured coin-pattern surface, they masterfully trap dirt and moisture, keeping your interiors pristine and safe.

From busy storefronts and offices to pool sides and industrial zones, these mats offer the perfect blend of durability and comfort. Available in flexible rolls, they can be easily cut and customized to fit any area perfectly. With superior water drainage and anti-slip performance, our PVC coin mats protect your floors while elevating your brand's commitment to cleanliness, safety, and quality in every step.

Vacuum Mat

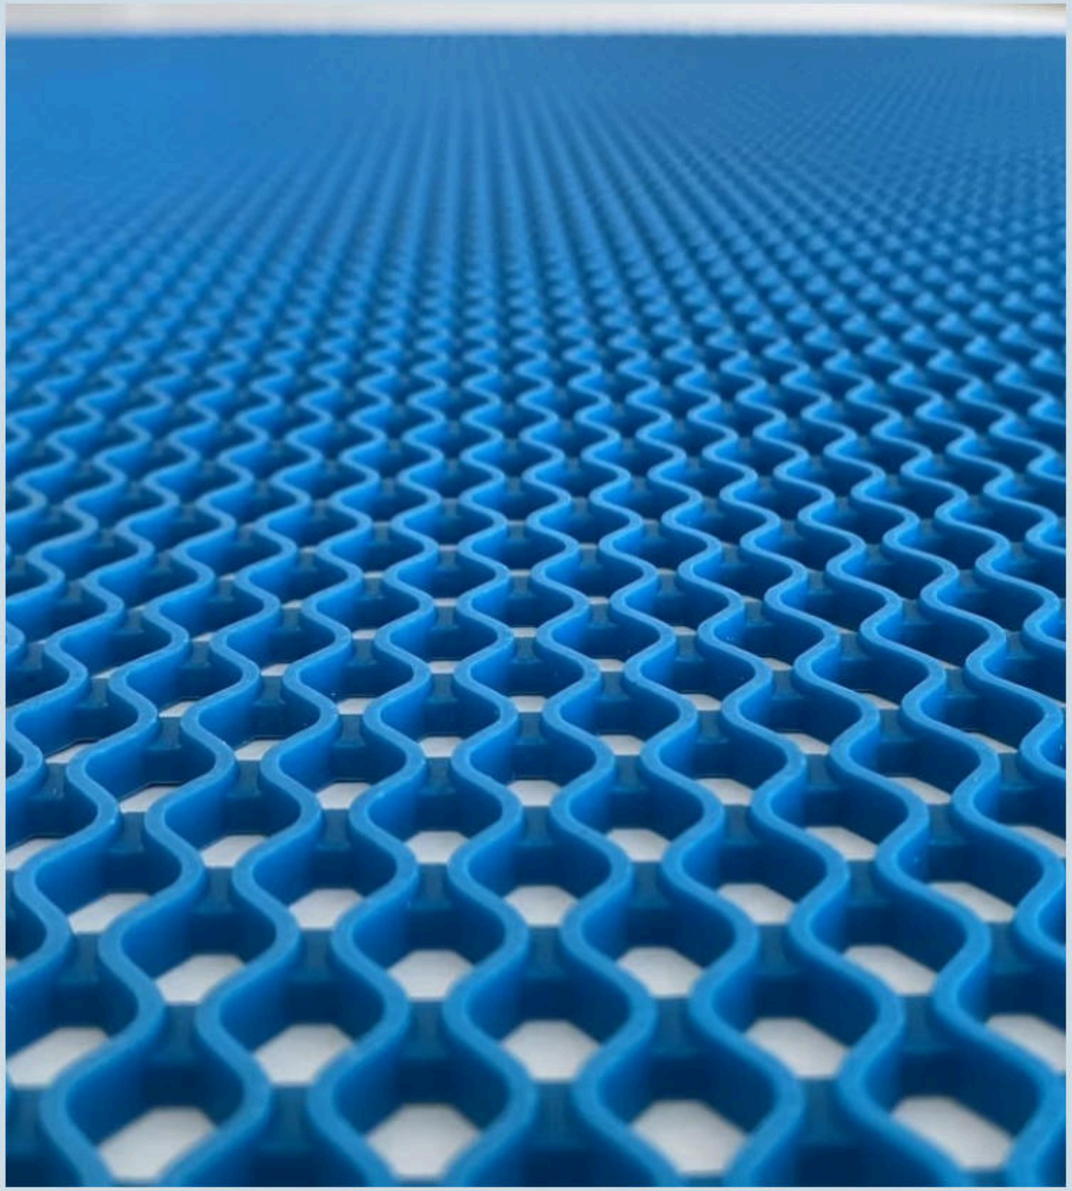

Your trusted partner in every step

Vacuum Mat is a premium flooring solution manufactured from high-quality PVC, featuring anti-slip, fire-retardant, and easy-to-clean properties. Available in 12 different color options, the product has a thickness of 6 mm, widths of 90/120 cm, and a standard roll length of 15 meters.

Its unique hollow-cell design creates a vacuum effect that grips the floor firmly when stepped on, while providing an anti-fatigue massage effect for bare feet. This makes the Vacuum Mat an ideal choice for barefoot environments such as pool sides, saunas, and wet areas, where safety and comfort are paramount.

Custom Logo Rolls

Your trusted partner in every step

Your brand deserves to be seen. Our PVC Coil Mat Rolls can be customized with your logo applied every 5 meters, ensuring consistent brand visibility throughout the entire roll.
Logo application can be carried out using either Radio Frequency (RF) welding for a durable, integrated finish, or UV printing for sharp details and vibrant colors — entirely based on your preference.
This flexibility allows you to combine functionality with strong brand identity, making the product ideal for commercial projects, large entrances, and customized installations.

Collection 2026

Coil Mat Pieces

Your trusted partner in every step

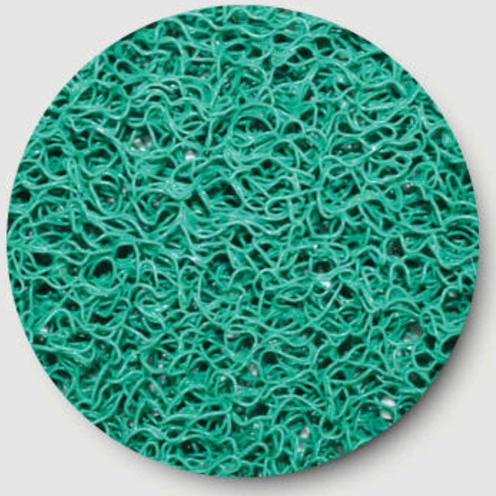

PVC Coil Mat with RF Border
Designed for durability and style, this PVC Coil Mat features a curly open-loop structure that effectively traps dirt and moisture, keeping interior spaces clean and safe.
The mat is finished with a radio frequency (RF) welded border, providing a seamless, reinforced edge that enhances strength, prevents deformation, and delivers a clean, professional look.
Available in 40×60 cm and 60×90 cm sizes, it can be produced in custom colors upon request, making it an excellent choice for branded entrances, commercial areas, and high-traffic environments.

Company Philosophy

www.pulcarpet.com

Driven by Passion, Built for Performance

At the heart of our company lies passion — a genuine commitment to what we create. Every coil we form, every surface we refine carries that dedication.

We don't just produce PVC coil mats; we engineer solutions that combine function, durability, and design. From texture to flexibility, from safety to visual impact, every detail is carefully considered.

Working with passion means pushing standards higher, respecting quality, and delivering products that perform reliably in real-world conditions.

This dedication is our strength — transforming practical flooring into a product you can trust, project after project.

EVERY ROLL BEGINS WITH A PURPOSE IN OUR PRODUCTION LINE, FORMED COIL BY COIL. WE RESPECT THE MATERIAL, CONTROL THE STRUCTURE, AND SECURE THE EDGE. DETAILS ARE OUR STANDARD: TRUE FLEXIBILITY, CONSISTENT COLOR, AND CLEAN BORDERS. TECHNOLOGY MEETS EXPERIENCE — EVERY METER MEASURED, EVERY SURFACE CHECKED, EVERY ROLL APPROVED. WE DON'T JUST PRODUCE MATS; WE CREATE SAFE, CLEAN, AND CONFIDENT ENTRANCES. DURABILITY, FUNCTION, AND DESIGN EXIST TOGETHER, ALWAYS. WE LISTEN FIRST, WE CUSTOMIZE, AND PERFORMANCE DEFINES OUR CULTURE. QUALITY, FOR US, IS RELIABLE SIMPLICITY: STRONG PVC, PRECISE PRODUCTION, AND DEPENDABLE SERVICE. EACH PRODUCT PASSES QUALITY CONTROL, VISUAL INSPECTION, AND A FINAL APPROVAL PROCESS. OUR PROMISE IS CLEAR — PRODUCE COIL BY COIL, INSPECT PIECE BY PIECE, AND PROTECT YOUR REPUTATION. WE DON'T ONLY SUPPLY PRODUCTS; WE BUILD LONG-TERM TRUST.
